We, the yearbook staff of '69, dedicate Aeon to our Senior Class.

Many times in the past four years our class has felt that success was unattainable, but by working industriously as a unified group and by relying on the guidance of Sr. Margaret Mary, our moderator, we have realized many of our goals.

Now as we prepare to leave Cathedral High we, the Seniors, recognize the bond we have established with one another and with Sr. Margaret Mary — a bond of warmth, friendliness, and appreciation. We have strived together, and we have achieved together.
